Embassy Suites Floorplan

- Four floors out of service
- Main entrance closed (Blue)
- Atrium closed (Red)
- Reception Desk moved
- Parts/meeting

 Hospitality not affected (Green)

0 **Option 1: Stay at Embassy** Suites...but Move date of United to August 14-17. Prior to Renovations

• Impact:

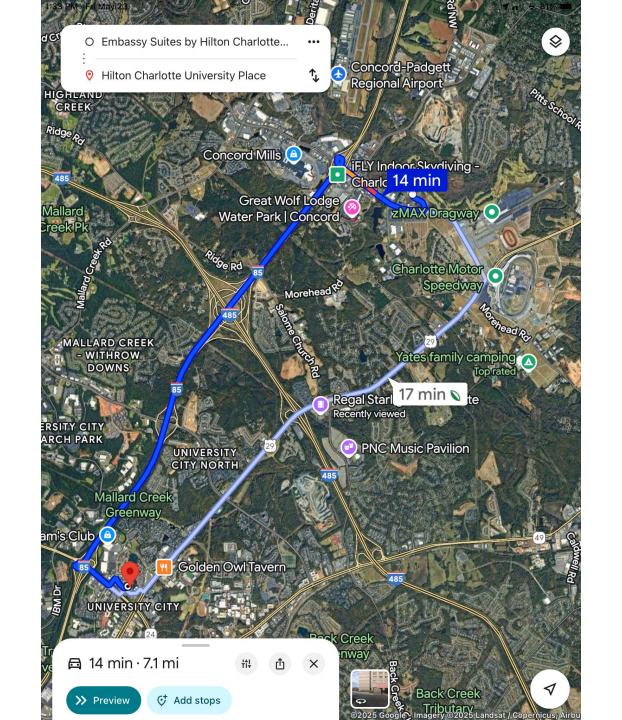

- All United activities will need to be rescheduled and rebooked (if available)
 - Concours site
 - Fri & Sat Lunches

+ 0 Option 2: Keep September Date, but move 25 rooms to another hotel

- Hilton Charlotte University Place: approx 8 miles/15 minutes south. Closer to downtown. Rate the same. Vouchers for Breakfast
- Tried three other closer hotels without success

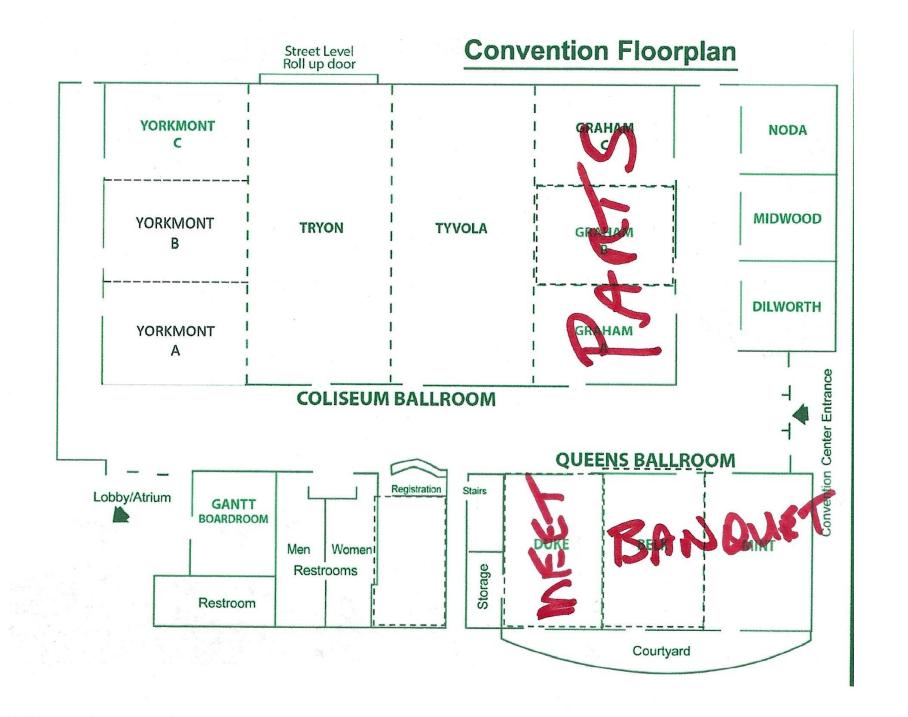

• IMPACT:

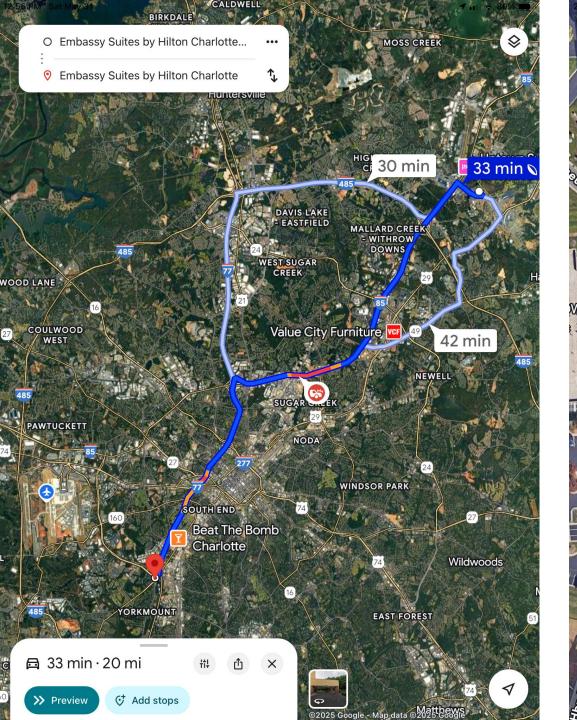

- Approx half our attendees will be affected and inconvenienced
- Entire United experience and socialization compromised...access to parts room, meeting room, hospitality suite and banquet affected
- How do we decide who is inconvenienced...last in,,,first out?
- Attendance Impact: Likely...many will not be happy
- Still need to deal with construction at Embassy Suites

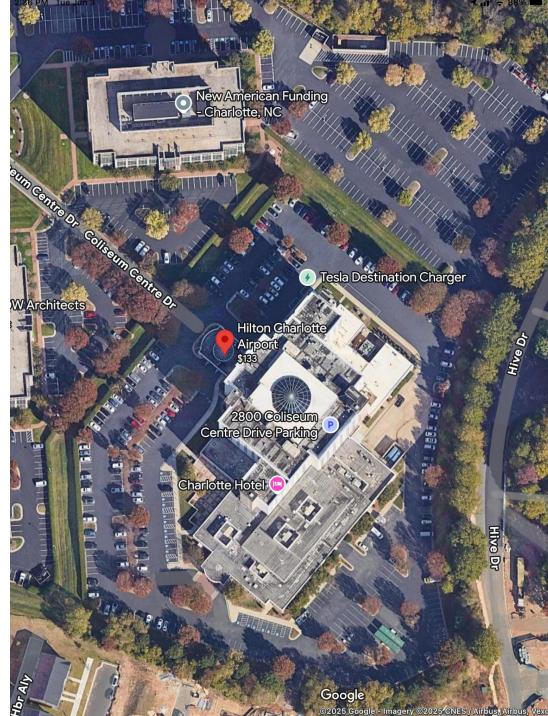

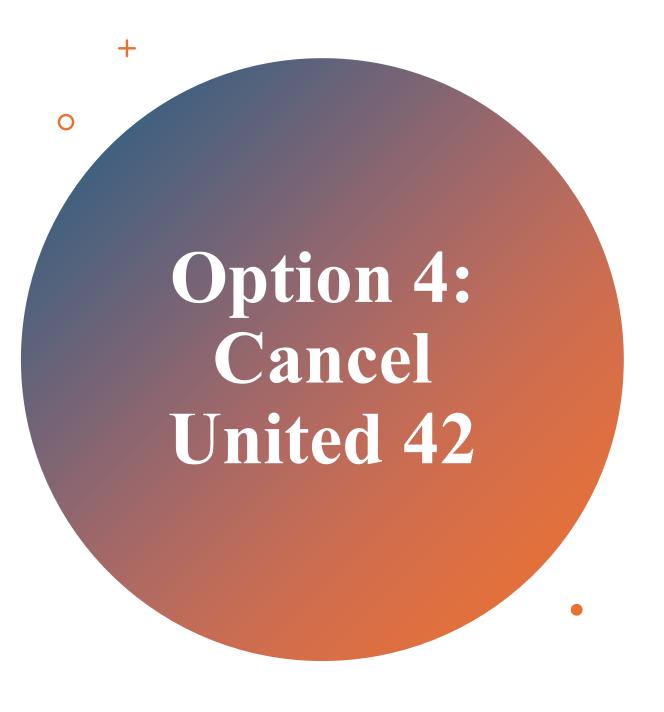

- Tried five different hotels. Only one can accommodate us
- The Hilton Charlotte Airport can accommodate our entire group
 - Located SW of Charlotte, near Airport
 - More congested area
 - Somewhat isolated. Not many restaurants or points of interest locally
 - NC Transport Museum, Lake Norman, Five Points pub all at least one hour. Concours site 45 minutes
 - Has similar facilities
 - Will honor all our contractual arrangements
 - Can add five additional rooms per night (maybe more) to accommodate those who were unable to get reservation at Embassy Suites
 - Need to physically inspect hotel and meet with management to make sure they can accommodate our needs
 - Concerned about trailer parking
 - Redo banquet choices for those already registered and change on registration
 - Driving tour route will need adjustment
 - Attendance Impact: Unknown
 - Membership notification

• Impact: No need to say anything more
